

ECA
Core Core Curriculum Requirements

Core Curriculum. ECA has adopted the core curriculum mandated by the Ohio Revised Code for all high school students.

Parental Notification. ECA notifies each student's parents, guardians, or custodians of Ohio's Core Curriculum requirements. This is accomplished through enrollment process, a yearly letter sent to parents and posted on the web site. The notification shall be in writing and indicate that one consequence of not completing the curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

Ohio: R.C. 3313.603.
