August 15, 2023

Dear Parent/Guardian/Custodian:

Early College Academy has adopted a procedure, by resolution, to notify the parent, guardian, or custodian of a student enrolled in Early College Academy of the requirement of the Ohio Core Curriculum prescribed in division (C) section 3313.603 of the Revised Code and that one consequence of not completing that curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

Sincerely,

Jonathan Stevens, Superintendent
