Dear Parent/Guardian

COLLEGE CREDIT PLUS PATHWAYS

The Early College Academy is in partnership with Columbus State Community College to provide College Credit Plus (CCP) courses and pathways to our students. The following links can be found on our website, and are used to work with our students to guide them into the proper pathway.

<https://www.csc.edu/academics/a-z-programs/>

I will contact all students and their families to review personally. Please feel free to contact Mrs. Thompson with any questions or concerns at anytime.

Sincerely,

Suzie Thompson, Counselor
