Dear Parent/Guardian:

It is time to start thinking about the 25-26 school year. The State of Ohio offers a wonderful opportunity to all eligible students. Students can attend and earn college credit while in high school. Students must meet the admission standards of the college they are applying to.

Students must turn in a letter of interest to enroll in College Credit Plus to Mrs. Thompson by the first of March. Most of our students have attended Columbus State Community College when enrolled in College Credit Plus. The following link can be used to read about their program, <https://www.csc.edu/academics/a-z-programs/>. Students will receive more information in the coming weeks.

Please feel free to contact me with any questions or concerns. I hope your year is off to a great start.

Respectfully,

Suzanne S. Thompson, Counselor
