

ECA Program Description

Early College Academy (ECA) is a dropout prevention program focusing on re-engaging students residing in Franklin and its contiguous counties. The ECA program is for students who are credit deficient and were not successful in traditional school settings, but want to earn a high school diploma. The program will allow:

- All ECA students the opportunity to earn a high school diploma based on his or her credit needs;
- Students to participate in learning communities of 15-25 for a successful high school completion and experience;
- Students to take required foundation courses which include reading, writing, math, college survival and success course, and career exploration;
- Every ECA student to complete required Individualized Graduation Plan (IGP) which will define their personal goals and develop an educational plan leading to graduation;
- Qualified ECA students are able to participate in College Credit Plus program.
